**Do you want to feel Competent in doing Couple Therapy?
Become an Imago Certified Therapist!**

Imago Relationship Therapy Clinical Training

Available for the first time in Atlantic Canada!

Are you thinking about doing couple therapy but don't really know where to start? Have you tried working with couples, but at times got really stuck? When you use the Imago Relationships approach, couples often feel much more connected...even after their very first session.

Imago Clinical Training will help you:

- *understand the unconscious universal dynamics of why couples select one another and why conflict occurs naturally.*
- *guide couples to uncover the root problems and patterns fueling most conflict and disconnection.*
- *teach couples how to communicate in a safe and structured way that removes blame, shame, and criticism and lays the foundation for deeper and healthier connections.*
- *help couples heal together and work as a team.*
- *expand the couples Relational Competency skills so they can experience the relationship of their dreams.*
- *expand your self-awareness of the core aspects of your own relationship patterns.*
- *...and so much more*

Basic Requirement for Imago Clinical Training

Proof of registration and license to practice as a mental health professional in your country (psychologist, social workers, therapists.)

Graduate and postgraduate students are welcome and Certification will be given once above requirement is completed.

For all other Certification Requirements, please consult our website:
www.amourimagolove.ca (under tab "For Professionals")

The IMAGO Relational Theory

Developed in the 1980s by Harville Hendrix PhD and Helen Lakely Hunt PhD, Imago Relationship Therapy is a research-based approach practiced in over 50 countries in the world. Its effectiveness across cultures is a testament to the universality of the core skills involved in deepening human connection
